TechCorp University - Academic & Scholarship Policy Handbook

Document ID: TC-POL-2026-01 | Page 1

Section 1: General Information

TechCorp University provides comprehensive guidelines for academic standards, grading scales, and student financial support. All enrolled undergraduate and graduate students must adhere to the student code of conduct outlined in this handbook.

Section 2: Merit Scholarship Eligibility

To be eligible for the annual TechCorp Merit Scholarship, a student must meet the following mandatory criteria:

1. Maintain a minimum cumulative GPA of 3.0 on a 4.0 scale.

2. Have a verified campus attendance record of at least 85%.

3. Not be currently serving any disciplinary probation or academic suspension.

Section 3: Tuition Assistance & Grants

Students experiencing financial hardship may apply for emergency tuition grants through the dean of students office. Applications require proof of income and a written statement.
